DISCLAIMER: Financing is for "full" programs that include 45-60 (or more) hours of aircraft rental. There is no maximum account size; the above examples are based on our standard financing rate of 12-18% Annual Percentage Rates (APR). Credit approval and interest rates are based on the credit history, income, and obligations of the applicant and any co-borrowers. The amount financed is the Total Cost of your training program less the Cash Down Payment of \$250. Monthly payments begin 30 days after the training program is sold. Average lessons may not exceed two (2) hours of aircraft rental and three (3) hours of instruction.

## INTEREST REFUND PROGRAM

Cash Refunds up to 25%\*\*

Make all payments on time to qualify. At the completion of your program, sign and return your certificate to Flight Training Finance, LLC once your account has been paid in full and you'll receive a cash refund within 30 days.

\*\*Available only to eligible applicants. Eligible applicants will receive a certificate at the time of contract acceptance. Payments must be made on or before the scheduled due date. Up to two (2) payments may be late if 1) late payment is due to a non-recurring error or a mail delivery problem, AND 2) the past due situation is corrected immediately upon notice. The Interest Refund Program may be discontinued at any time for any reason. For more information, please call us at 800.667.0201.
